ENDS JUNE 10TH 2016

*Comprising seven new paintings and one from her 1970s series of "Stroke Paintings," the works here soil and sully the legacy of Ab Ex with their sensuous, painterly strokes wrapped in ribbons around dried sunflowers, berries, rosebuds, and mud. Grab some cotton buds and start swabbing that waxy canon from your ears, it's time to listen to Joan Snyder's "Womansong."*
